

USEFUL INFORMATION

ELECTRICITY

For exhibitors who booked the tables, electrical connection is 100 watts per meter, the single availability is highlighted in the letter of confirmation.

For exhibitors who have booked a stand, electrical connection is communicated in the letter of confirmation and each stand is equipped with lighting mounted on the perimeter walls and, where present, on the transverse supports.

Exhibitors are reminded of the need to obtain adapters for Italian sockets.

Exhibitors are advised to light their exhibition spaces adopting LED lighting in consideration of the high luminous efficiency of this type of lighting. For the ones who have not their own lights we inform that the organization has available LED headlights which can be rented at € 20.00 each.

We advise those interested in renting headlights to book them in advance. We remember that all light fixtures with incandescent lamps (halogen) and metal halide, for they produce high temperatures, must be installed at heights NOT LESS to 2.40 meters in compliance with the laws related to safety.

ACCESS FOR EXHIBITORS

On Thursday and Friday the access for exhibitors will be allowed by Via Filadelfia, 82D (see map), where it will be set up a secretariat for their registration and for the eventual operation of the balance of their stake (the eventual share is specified in the letter of confirmation). On Friday, Saturday and Sunday, only to registered exhibitors in possession of the badge, also pedestrian access from Corso Sevastopol at the public access will be allowed.

From this edition the exhibitor badge allows unlimited income, **but when they leave MUST be passed under the barcode reader** by the staff of access control so the personal card output is recorded and can be activated for subsequent return. For each additional person out, is read only one badge. In the case that badge has been not read at output, it can't be no more usable for subsequent entries to the end of the event.

PARKING

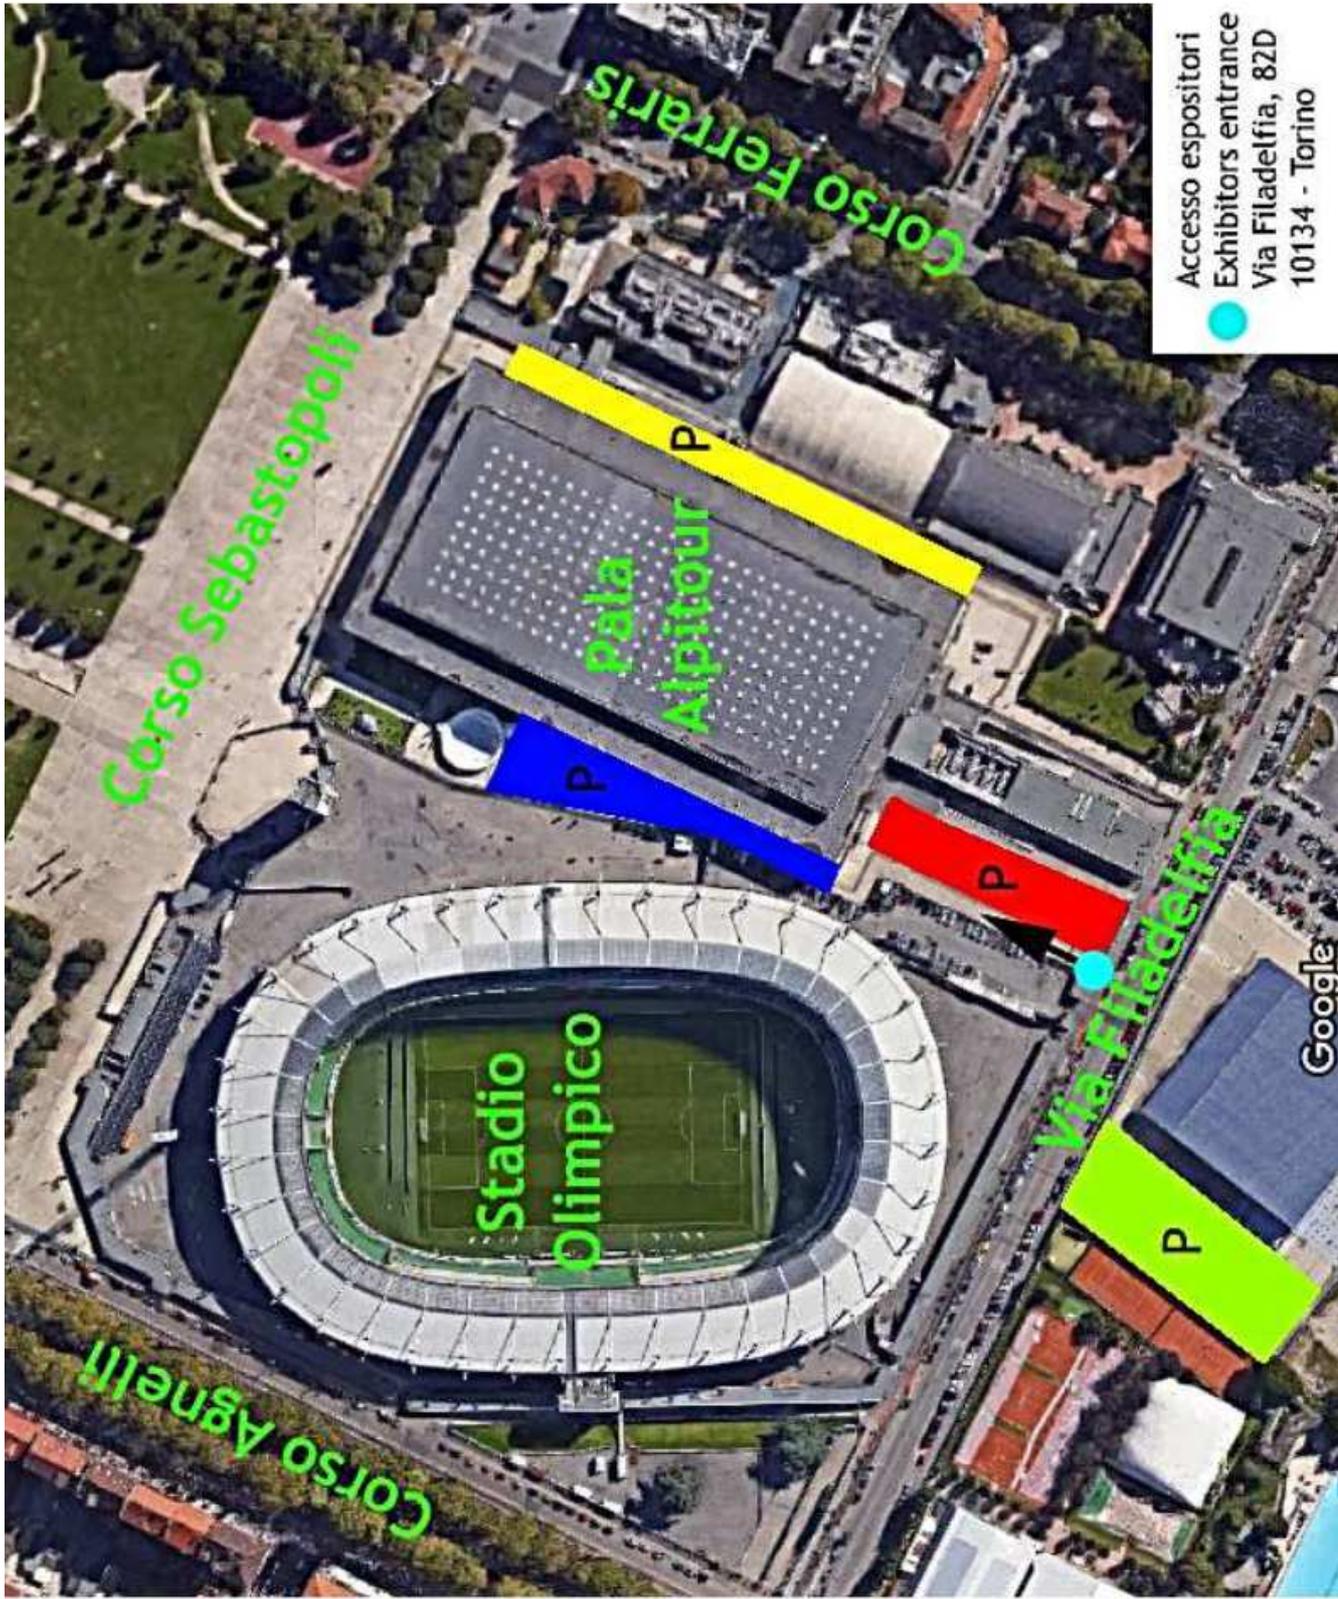

On Thursday to allow easy unloading of material for staging the reserved spaces, access to all vehicles with a maximum stay of two hours is allowed , at the entrance of unloading area, subject to deposit of € 50.00 for each vehicle which will be refunded when they leave if within the time period established. Cars must then be parked inside the fence of the Pala Alpitour in the relevant service areas.

There are three parking areas arranged inside the Pala Alpitour fence that are divided by color (see the map) destined for the car parking area only, and a rest area for campers and vans in the parking lot Combi Macchi (**green area in the map**) which is located in front of the exit gate of the Pala Alpitour. This parking is for campers also stop for the night; the parking access is opened at 8.00 and closed at 9.30 and opened at 18.45 and closed at 19.30. Throughout closing time of the gates pedestrian access is guaranteed.

From 19.45 to 8.00 it has forbidden the parking of vehicles inside the Pala Alpitour fence even if left in the car parks for them.

At the arrival, on the car of each exhibitor will be applied on the windscreen a colored sticker bearing the number of his exhibiting location: each color will indicate the relevance parking, and in the absence of such sticker will not be allowed vehicle access in the area of Pala Alpitour .

The cost for the vehicle access to the area of Pala Alpitour and parking is € 20.00 for the entire duration of the event.
